

## Paper Recycling Program

Last Updated Sunday, 13 July 2008

Save landfill space and raise funds for St. John!

St. John is participating in the Abitibi Paper Retriever Recycling Program. Through this program, St. John receives funds based on the amount of recycled materials collected.

You can Recycle:

- Newspapers
- Magazines
- Junk Mail
- Catalogs
- Office and School papers
- Folders
- Notebooks
- Please NO Cardboard, Phone Books, Plastic, Glass, Metals, or Trash.

You can recycle items from your workplace as well. The paper collected is then sent directly to paper mills where it is remanufactured into newsprint. The green and yellow collection bins are located in the back lot next to the garage.
