Read the Bible Online

Read the Bible online through the International Bible Society (IBS) website! You can browse the bible by books, search by verse, search by keyword, and even listen to an audio reading of the bible. You can choose from many different bible versions and languages. To learn more about IBS, visit their website at <http://www.ibsstl.org/>.

New International Version (NIV) Bible (Browse by book)

Who is IBS-STL Global?

- IBS-STL is one of the largest Bible and Christian literature ministries in the world.
- IBS-STL is the translation sponsor of the English-language New International Version (NIV) of the Bible, the most widely read contemporary English translation.
- IBS-STL translates the Bible into world languages that have 1 million or more speakers.
- IBS-STL distributes the Bible—and evangelism and discipleship literature—to people who might never learn about Christ any other way.

I've never heard of IBS-STL. How long have you been around?

- IBS-STL Global is a newly merged organization.
- IBS stands for International Bible Society, which has been translating and distributing the Bible for 200 years.
- STL stands for Send the Light, which in 50 years has grown to be the world's largest Christian distributor of Christian products.
- The two ministries merged in 2007.
