

Confirmation Program

What is Confirmation?

Confirmation is about us “confirming” the promises made when we were baptized as children, making those promises for ourselves.

When is Confirmation?

Confirmation classes are held on Wednesday evenings from 6:30-7:30pm during the school year. The Confirmation program at St. John is a 3-year program designed for youth in grades 7-9. Confirmation evenings are a mix of large group activities, small group activities, field trips, and service projects. Classes culminate each year with the Confirmation of the 9th grade class on the first Sunday of May. Please contact Pastor Mark Evans for more information.
