

Alpha Course

Last Updated Wednesday, 17 March 2010

What is ALPHA? The ALPHA Course is a 15-session, ten-week opportunity to explore the validity and relevance of the Christian faith for our lives today. It is a practical introduction to the basics of Christianity with loads of opportunity for debate and discussion. ALPHA was developed in a local church for local churches. ALPHA is lay-run, with a style that is informal, low-key, friendly and non-pressured.

Who's it For? ALPHA is for those wanting to investigate Christianity, non-Christians, un-churched Christians, new Christians, those who feel they have never really got going as a Christian, those who want to brush-up on the basics, and anyone who has not taken the ALPHA course.

When is the Next Course? No ALPHA program has been scheduled for 2010. We do not have the "small group leaders" necessary to host the program. We need some help for this important ministry! Call the church office if you are interested in the Alpha Program. Also, check back to this web page for further updates.
